MEMBERSHIP SUBMISSION AND ANNUAL INVESTMENT

Please select your membership category to the left and once the application has been completed, mail to:

Bio Nebraska Life Sciences Association
PO Box 24802
Omaha, NE 68124

Make check payable to: Bio Nebraska Life Sciences Association

If necessary, Bio Nebraska can send an invoice for the annual investment upon receipt of your completed membership application.

Memberships are for organizations and apply to all employees of the organization and are based upon employment within the state of Nebraska. If you have any questions, please call (308) 440-8828 or email pkozera@bionebraska.org.

Bio Nebraska is a Section 501(c)(6) organization. As such, a portion of your membership investment may be tax deductible. Please consult with your tax advisor prior to claiming Bio Nebraska membership dues as a deductible contribution. While the amount of membership allocated to lobbying activities is expected to be less than five percent (5%), the amount actually allocated will be reviewed annually to ensure accuracy.

MEMBERSHIP CATEGORIES & INVESTMENT SCHEDULE

Corporate Membership:

Corporate membership is open to any for-profit entity that utilizes life sciences or other biotechnology involved with research, development, testing, manufacturing or sales of a product or information, including health care providers and medical centers. Investment is based upon total number of people employed by the applicant company benefiting from membership.* The investment schedule follows:

Corporate:

1-9 employees	\$ 200
10-49 employees	\$ 400
50-299 employees	\$ 1,000
300-499 employees	\$ 2,500
500+ employees	\$ 5,000

*Employers with more than 1,000 employees globally, regardless of number of employees at applicant location will have a **minimum annual investment of \$500.**

University Membership:

University membership is open to any public or private post-secondary academic institution that utilizes life sciences or other biotechnology and is involved with research and/or development of a product or information. **Annual investment is \$7,000.**

Platinum Membership:

Platinum membership is open to any corporation, government agency, university or individual that has an interest in developing a strong ecosystem for the life sciences in Nebraska. **Annual investment is \$10,000.**

Government Agency, Nonprofit Entity & Community College Membership:

Any governmental agency, nonprofit entity or community college that has an interest in, works in support of, or is under a mandate to promote biotechnology can become a member by providing an **annual investment of \$1,000.**

Professional Service Provider Membership:

The Professional Service Provider membership is available to any firm that provides professional services to members of the life science industry such as architects, accountants, attorneys, consultants or engineers. **Annual investment is \$500.**

Student Membership:

Student membership is available to any individual student (K-16) who has an interest in the life sciences.

Annual investment is \$25.
