CELEBRATING NEBRASKA WOMEN

in science, technology, engineering, and math

Join us as we celebrate Nebraska women in STEM with an afternoon of dining, discussion, collaboration and networking.

OCTOBER
10
2018

time: NOON - 2:00 P.M.

where: QUARRY OAKS
ASHLAND, NEBRASKA

cost: \$25 PER PERSON

Nebraska's greatest resource is its people and we need to support and encourage women in all fields of science and technology, including entrepreneurs, industrial scientists and engineers, and government and academic researchers, and STEM educators if we are to grow and succeed.
