# LIFE SCIENCES ON THE LINKS

**Annual Golf Scramble**

MAY 15, 2023

IRON HORSE GOLF CLUB

ASHLAND, NEBRASKA

*Lunch Served at noon. Shotgun Start at 1pm.*

# About the Event

**Bio Nebraska's annual Life Sciences on the Links Golf Scramble is an opportunity to connect with other professionals from across Nebraska's bioscience industry.**

Whether you register as a team or an individual, this event provides a number of networking opportunities, including a lunch and a 19th Hole reception with an awards presentation.

Life Sciences on the Links will take place on May 15, 2023, at Iron Horse Golf Club in Ashland, Nebraska. This unique golf course is built around an old rock quarry and features incredible views and exceptional course conditions. We are excited to be returning to Iron Horse for another year.

There are a number of opportunities available to organizations interested in sponsoring Life Sciences on the Links. Sponsors will have their name in front of over hundred golfers, including representatives from leading and emerging bioscience-related organizations in Nebraska.
